WASHINGTON IS DESERTED

(Associated Press Cable.)

WASHINGTON, D. C., Aug. 22.—One of the last actions of the House was to receive the veto message of the President on the Cotton Schedules Bill, the message being delivered to the House this morning. The message was referred to the committee on ways and means, with instructions that it be reported back for action at the regular session.

Tonight Washington was deserted by the legislators, the Representatives and Senators, with few exceptions, having left immediately after adjournment.

The President left for Rochester, where tomorrow he will address the National Encampment of the Grand Army of the Republic.

COMMISSION WILL SIFT BIG LONDON STRIKE

LONDON, Eng., Aug. 22.—Parliament, before adjourning today until October 24, named a royal commission to inquire into the causes leading up to the recent strike and to prepare data upon which Parliament may act in the coming session, when the legislation promised by the employers to the strikers will be asked for. The railroad officials agreed to submit to Parliament a request to be allowed to charge an increased freight and passenger rate in order that the pay of the men might be correspondingly increased.

The railroad employers have been invited to name two of the members of the commission and the railroads will be allowed to name two. For the fifth member Parliament has named Sir David Harrel, who became well known during his incumbency as chief commissioner of the Dublin metropolitan police for ten years and as Under Secretary for Ireland from 1893 to 1902.

The canvas has been cut from its frame and no trace of the thief has been left behind. The value of the canvas is inestimable.

PIKE'S PEAK TOURISTS FROZEN TO DEATH

COLORADO SPRINGS, Colo., Aug. 22.—W. A. Skinner and his wife were frozen to death today near the summit of Pike's Peak. After the storm had cleared away their dead bodies were found not far distant from the station of the cog railway.
